Survey - Special staff - South Canara District - Rules.

Ref:-- B.P.No.Mis.1092 dated 23-5-25.

I have the honour to state that in its proceedings No.Mis.1092 dated 23-5-25, the Board has observed that as "the supply of survey records to the special staff will be villagewar, the words 'Khandam No. in the forms are unnecessary". It appears to me to be a matter of necessary convenience to prepare the miscellane statements for a number of khandams and not for the whole village at a time, though not necessarily for each khand separately. For instance, if a village contains 20 khan it will not be conducive to work to prepare the miscellaneo statements, say poramboke list, in one volume for the whole village. The statement may be prepared in 3 volumes, one volume for a block of khandams from 1 to 6, another for khandams 7 to 12, and the third for khandams 13 to 20. As soon as the Special Revenue Inspector's work in the first block is completed, the Special Deputy Tahsildar can conveniently finish his inspection of khandams 1 to 6 without detriment to the progress of the Special Revenue Inspector's work in the next block. This course will not be possible if the statement were to be prepared in one volume for the whole village. The Special Revenue Inspector's work can even be checked by the Special Assistant Settlement Officer. final orders passed and records sent to the Branch Settlement Office where further items of work can be attended to. In these circumstances, I am of opinion that the retention of the words 'khandam No.' in the forms is necessary.

2. I solicit the favour of early orders on the subject.

I have the honour to be,

Sir,

Your most obedient servant,
